## 1. ABOUT BrandCrock GmbH

BrandCrock GmbH is a one-stop software solution provider for all your business needs in more than 15 countries worldwide. We create sales-oriented corporate websites, internet-based software and web services. We are stationed in Munich, Germany, with other offices in Karachi and Chennai.

BrandCrock GmbH is one of Germany's leading and trusted offshore and outsourcing software solution providers for web designing and software development.

Since 2015 we have been in the field of information technology and software development; providing reliable and cost-effective solutions to individuals, business owners, start-ups, small to medium size companies (SME's) on-line retailers, production companies, Software and Design Agencies. BrandCrock is fulfilling a greater demand of software development at a reasonable cost for anyone interested in our professional skills especially the European and German based Market.

We have passionate teams and multi-talented individuals who are extremely committed to their work. At BrandCrock we are achieving robust, reliable, high quality IT solutions by practicing industry-proven methods cum standards in software development, project management and quality assurance methodologies.

For further information, please refer to our website www.brandcrock.com

## 2. MANAGING PLUGIN & CONTACT DETAILS

This document relates to the BrandCrock theme for **Sportszone Theme** and contains important information about installation and usage of the theme. At the same time, this document serves as performance and functional specification for features available in the theme.

- If you face any issue or problems on installing or testing our theme please contact our Support team.
- Please don't change or modify the theme without having any experience or understanding.

### 2.1 About this Theme

**Sportszone Theme** allows users to add a new theme for their web shop. This theme is highly responsive with a wide range of customization features and optimized loading speed. This plugin allows users to customize the theme with header, navigation bar and social media icons.

## 3. PLUGIN INSTALLATION

The initial step is the Installation of the theme. The following screenshots will explain you in detail about the installation process,

Step 1: Login to shop backend, navigate to Extensions I My extensions.

]
